

Westlake Choir Parents, Inc. is the non-profit 501(c)3 organization that provides volunteer and financial support to many aspects of the Choir program. We are extremely proud of our directors, students, and the Westlake Choir program, which holds students to the highest standard of vocal development and performance while at the same time, creating positive experiences that impact students' lives and form lasting friendships.

For questions regarding volunteer opportunities, fundraising, and Westlake Choir Parents committees, please contact a member of the Executive Board below. All questions regarding instruction and programs should be directed to Mr. Snouffer at esnouffer@eanesisd.net.
